

The RSL (WA) Retirement & Aged Care Association (Inc), trading as RSL Care WA, is a charitable organisation which operates a number of Aged Care Facilities, Retirement Villages and Community Care services throughout Western Australia.

The RSL (WA) Retirement & Aged Care Association (Inc) facilities were established to care for aged and disabled ex-service personnel, war widows and the aged and disabled in the general community.

#### OUR VISION.

To lead in community and residential care.

#### OUR MISSION.

To create a viable, vibrant and dynamic organisation with the structure and resources that will provide an environment to achieve and maintain our commitment to premium residential and community care.

#### OUR VALUES.

To respect our residents, staff, families, visitors and other customers, regardless of age, sex, family status or responsibility, religion, impairment or political belief.

To serve with integrity and sensitivity the physical, emotional, and environmental needs of all those in our care.

To maintain leadership in providing continuous improvement in all aspects of our business by using innovative and contemporary management practices which provide a better service to staff, customers and the broader community.

# OUR LEADING RETIREMENT VILLAGES.

Ensuring our commitment to premium-quality residential and community care.

# RETIREMENT VILLAGE LIVING OFFERS SO MUCH MORE AT RSL CARE.

Today, more and more people over the age of 55 are choosing to move to safe, secure and friendly retirement village communities.

Retirement living offers residents an environment in which they are able to feel as if they are on an endless vacation.

The villages are specifically designed for over 55s and provide a chance to live healthy, active and secure lives. RSL Care WA manages five retirement villages throughout Western Australia, two in the Perth metropolitan area of Menora, two in the south coastal town of Mandurah, and one to the north, in Geraldton.

## Just how much more enjoyable is RSL Care WA Retirement Village living?

Life in an RSL Care WA village is all about making the most of each day.

Many of the worries, concerns and hassles of conventional suburban living simply disappear, to be replaced by a far more relaxing and stimulating existence in a safe and exceptionally friendly community.

Beyond the exceptionally well designed and superbly appointed residential villas and apartments there are first-class on-site facilities including:

1. Well maintained recreation areas.
2. Beautiful gardens.
3. Walking paths.
4. Community areas.
5. Secure resident and guest parking facilities.
6. Café/ Restaurant dining.
7. Gymnasium.
8. On-site hairdresser.
9. Internet access.

10. Playground and guest barbecue areas.

11. Social Club and various activity groups.

Naturally, not all of these facilities are available in all the RSL Care WA villages. For details of the specific facilities in the Village you're considering, just ask.

## Who lives in a Retirement Village nowadays?

The residents of RSL Care WA Villages are a wonderfully varied group of like-minded individuals.

While many have different recreational, leisure, social and intellectual interests they all share a belief in the importance of our strong sense of community and in keeping each Village safe, secure and welcoming.

The age range is increasingly wide and each Village caters well for the very active as well as it accommodates the special needs of the less able and older residents.

## How much does it cost to move up to the RSL Care WA lifestyle?

RSL Care WA Villages offer a wide range of living options. The best idea is to talk to us about the many alternatives available and which will suit your specific needs.

There are three options:

- 3 Bedroom apartments
- 2 Bedroom, plus study apartments
- 3 and 2 Bedroom villas

Options vary from village to village.

## What does RSL Care WA offer?

There are five key services we provide:

1. Community Aged Care services.
2. Veterans' Home Care services.
3. National Respite Care services.
4. Residential Aged Care services.
5. Private Care Arrangements (outside of government-funded programs).

## What are the rights and responsibilities you have as a client?

RSL Care WA gives the rights of its clients high priority. We believe each client is entitled to holistic care encompassing spiritual, emotional, physical, environmental and social wellbeing.

We also value the input from friends, family and other health care providers on how to improve our services.

A grievance and advocacy procedure is in place should any issues arise.
